

# FREE MEALS TO SCHOOL AGED CHILDREN

At this time we want to let you know that the District will continue to provide meals under the USDA waiver that allows the District to be able to supply supplemental free meals to children under 18. As the District returns to Phase 3, "face to face" learning, students will be able to receive free breakfasts and lunches daily while attending school. Those students on "distance learning" are also welcomed to come pick up a lunch and or breakfast daily. These meals are to help any family and are provided under the SSO (Seamless Summer Option). Thank you for your time and patience as we all navigate through this difficult time.

This program is made available in conjunction with the California Department of Education and the United States Department of Agriculture (USDA)

This institution is an equal opportunity provider
